# PRESIDENT'S REPORT

Hi All

Just home from the Corvette Nationals in Ballarat and you could tell that there hasn't been a Nationals since the Gold Coast in 2019, everyone seemed to be there with the show and shine having over 200 Corvettes on display including a C8 ZO6 from GMSV. The display car had all the extras and in the future will be known as a ZO7.

The quality of the cars on show was exceptional, with so many top quality examples in each category picking a winner wasn't easy, South Australia had three winners

Gary McPhee best Original C8

John Randell best Original C5

AJ Martin best Original C1 and Entrants Choice

There was another award that we picked up and that was for the Golden Couple – Peter Golden Bartlett and Chris – we had to wear our sunnies Peter was so shiny!

All the events were really good and everyone seemed to really enjoy themselves, until Sunday when some of the cars had had enough, my C3 is coming home on the back of a truck as is another C3 and a C5, and a few others have other ailments, but over all a great time was had by all.

The next Nationals will be in New South Wales in 2025, there will be NO Nationals in 2024.

As you know we have had our AGM with the Committee returned plus Tim who filled the vacancy created by the retirement of Dave Daw, there were three challengers for positions and I would like to thank John Randell, Kevin Jarrett and Karen McConnell who had the job of counting the votes and giving us the results.

For those that are wondering about how we get to the amount that we give to our charity HeartKids, - all the raffle money - minus the cost of the prizes, all the proceeds from Corvettes rock the Bay, proceeds from various other raffles and fund raising, most of the Life Members still pay the equivalent of their membership fee but instruct the treasurer to donate it to HeartKids – this year we were a bit short of the \$5,000 that we donated and the committee decided to round it up to the even \$5,000. The Club has donated just over \$15,000 to HeartKids, something that we all should be proud of.

I would also like to take this opportunity to remind everyone a few small things about our cruises – make sure that your car is full of fuel – the cruise leader will sit on the speed limit where possible and you need to keep up, but if you can't then you need to let the other participants pass and meet them at the next stop – leave a safe distance between you and the car in front – NO speeding, and most important enjoy the cruise.

If you are planning a cruise it is important that your meeting point and stop points have large enough parking facilities to accommodate at least 30 cars and easy access, check with Sean to make sure that you have all the requirements to have a successful and enjoyable cruise.

Don't forget that Adrian is always on the lookout for car of the month, it is a good opportunity to give us your story on how you came to have your Corvette.

Happy Vetting

Pres

**Seconded:** Alan Orchard

**Tony Beer Smith highlighted the changes proposed to our current Club Constitution. The resolution proposed is to be voted on tonight.**

**Resolution:**

“that as this is an addition to or amendment of The Corvette Club of South Australia Incorporated Constitution: Final Draft, Effective 11<sup>th</sup> November 2020, Clause 12 Amendment of the Rules”, be enacted at this meeting.

## **12. Amendment of the Rules**

The Constitution may be added and repealed or amended at any Annual General Meeting at which notice of such intention had been given to Members at least fourteen (14) days before the meeting. A resolution from such a purpose shall require a Quorum (Twenty Five (25) per cent plus 1) Members voting thereon.” (A vote of 50%+1, of Members present with full voting rights, shall pass, or reject such a resolution.)

and further,

That the members herein present at this meeting, being a Quorum, (as defined by The Corvette Club of South Australia Incorporated Constitution: Final Draft, Effective 11<sup>th</sup> November 2020, Clause 5. **Voting.** g) A quorum shall be defined as Twenty Five (25) per cent of current Full Members present at the meeting, shall be accepted as a vote to **AMEND** the Constitution, to the **revised version dated the 15 February, 2023** where a quorum will be ten (10) per cent of current Full Members present at the meeting.

and further,

That, all references in the Constitution be aligned with terminology used by The Department of Infrastructure and Transport (DIT) from ‘Club Registration’ to Conditional Registration for consistency, which includes the ‘Club Registrar’ to Conditional Registrar, ‘Club Inspector/s’ to Conditional Officer/s. Tom Stanef expressed that he felt 10% was too low. Neil Bailey also expressed the same view.

Rob McConnell advised Tom Stanef that as per email communications, any concerns about the proposed Constitution changes needed to be brought up with the Committee Member nominated on the email before COB 14/2/23, so they could be addressed prior to the AGM and any further amendments emailed to members.

Tony BeerSmith explained that it had been confirmed by Consumer of Business Affairs that our quorum can be any % that we have endorsed in our Constitution.

Tony BeerSmith & Rob McConnell explained that if there was a vote on a Special Resolution: The definition in Section 3 of the Act, *Special Resolution* of an incorporated association means:

- i) Where the Rules of the Association provide for the membership of the Association—a resolution passed at a duly convened meeting of the members of the Association if:
- ii) At least Twenty-One (21) days written notice specifying the intention to propose the resolution as a special resolution has been given to all members of the Association; and
- iii) It is passed at a meeting referred to in this paragraph by a majority of not less than Twenty Five (25) percent of financial members with voting rights at that meeting.

Proxy votes were also asked about. Rob McConnell explained that the Committee has decided not to include proxy voting at this stage.

Members were advised that only one member had responded by the closing date and that the changes they suggested had been incorporated, where a revised Constitution had been emailed to members 14 days prior to the AGM.

### **The 2 items above were passed by a majority of members.**

(On behalf of all the members) The Chairperson thanked those on the committee over the last year and the effort they put in. He also thanked Jemma Kitto for stepping into the Treasurer Role last AGM.

He declared all positions vacant and asked if there were any further nominations to be received before he announced those received so far.

Rob McConnell advised voting was required for following 3 positions. Each position had 2 Nominees

**Vice President** – Catherine Neagle & Gunther Katzorke

**Treasurer** - Jemma Kitto & Peter Mourdoukoutas

## 2023 Corvette Club of SA Committee Members

*HeartKids is the Charity that our Club has chosen to support for several years. We raise funds in various ways, but mainly through Raffles.*

*At our AGM we presented them with a cheque for the funds we have raised over the past year.*

*Tania Potts who is the SA/NT State Manager was invited to our AGM to speak about the work HeartKids do to support the children & their families. Tanya talked about a young girl who was due to have surgery, but it was cancelled and how much of an effect it had on her and her family as they had booked accommodation etc which then needed to be cancelled.*

*She was also very grateful for the fact that HeartKids have been able to build a long-term relationship with our club.*

Hi All,

First a little about us, I am Shawn Adams and my wife and best friend is Teresa. We both grew up in Adelaide in the Norwood and Mitcham Area. We have been married for 38 years and both love Chevs. We have 5 children and currently the owners and directors of The Booyolee Brew Coffee Bar / Restaurant in Gladstone. (Find us on FB)

Several years ago, we purchased a LHD 1974 Red C3, site unseen from a WA car dealer. Let's just say it was not what the photos suggested, and we never got it on the road. We ended up swapping it for a Bedford Motor home a couple of years later and travelled a little. We both wanted another Corvette one day.

So, the Story goes like this, we owned a 2017 Holden Cruze and a 2018 Holden Colorado. I had been looking for another C3 RHD on the road in SA but struggled to find one in our price range, then I saw this Wide Body black C4 advertised and loved it. I showed Teresa the photos and she said the car was nice!

I thought she said, "you can have it if you want my darling" 😊 I was So excited I rang the guy and asked could I have a look, and do you trade cars? His reply was yes, we can do trade ins.

So, I headed off to Adelaide without Teresa to look at our new car. I also took Teresa's car because I heard her say once it was hard to get out of it and the driver's door would not stay open, it would blow shut and hit her legs. I was just so anxious I thought they shifted Adelaide further south from Gladstone.

That afternoon I drove our New Corvette home and loved it, and I got a great deal on the Holden Cruze as well I might add. I pulled in the drive with a big rumble then I saw Teresa face on the lawn and she was not smiling but not all together angry looking either. I got out and said, so what do you think my love?

Her reply was, "Where is my car? I said "Um in Adelaide this is our new car the Cruze was a shit car anyway. Do you want to go for a drive? Honey, where are you going? Teresa come back!.

It was a cold night in the spare bedroom that night but I could see our new car through the window and it looked fantastic in the moonlight.

I ended up selling my Colorado a few weeks later to buy Teresa a new car and to this day she is still my wife and Best Friend. I am not allowed to have any keys to her new car though. 😊

Our Corvette is a Black C4 Convertible with a stock 350 and 6 speed manual. We both love it now.!!!

I am still looking for a RHD C3 454 Big Block but please don't tell my Best Friend.

Cheers Shawn

## **Friday Night Dinner Tonsley Hotel 17/3/23**

Yes, it was St Patrick's Day. 20 people turned up at the Tonsley Hotel for an enjoyable evening. The food was great & the company was even better.

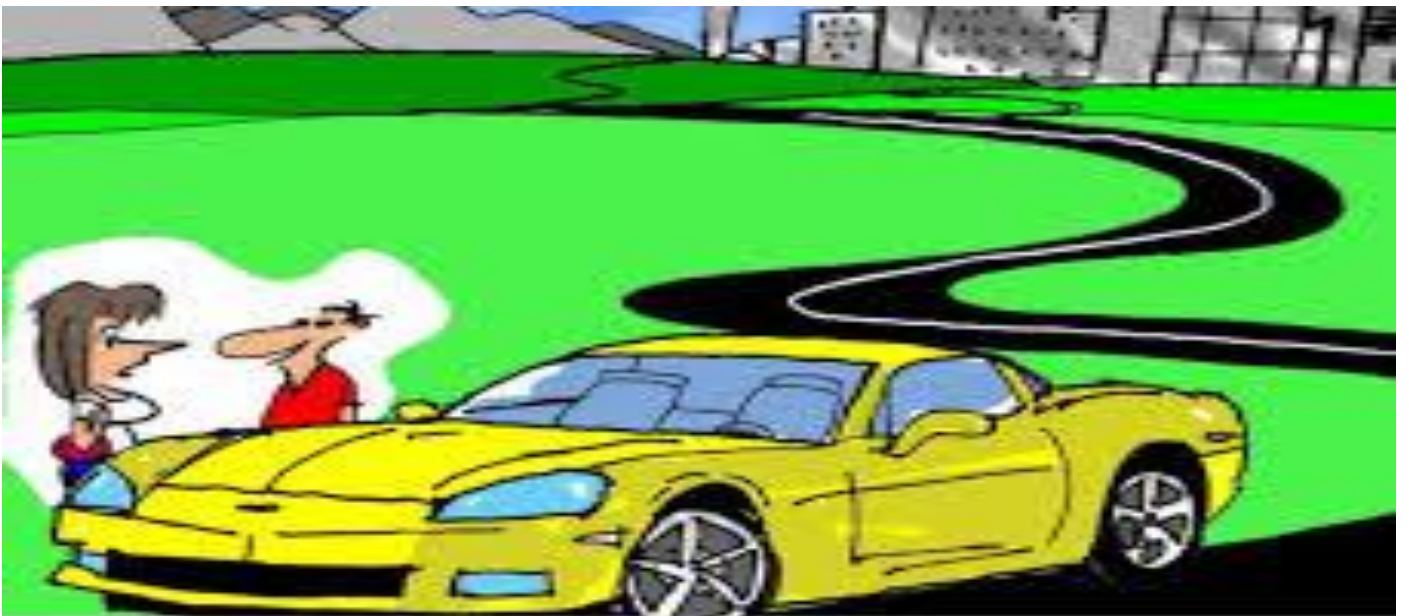

The hotel is soon to be demolished so it was lucky that we were able to experience the venue before it is too late.

Thanks to all who came to make it a great night.

Write up by Lynda, photos by Peter.

"I realize you don't want cars parking too close to your precious Corvette, but I'm not walking the 10 miles back to the store."

## Stephen Bryers Daughter's Wedding 11/3/23

"Corvette Family Wedding"

"Saturday 11th March was a big day for Zoë and myself, when daughter Alyssa tied the knot with fiancé Brodie, at Montefiore Hill in North Adelaide.

Alyssa had asked if she could ride to the ceremony in our Vette and that meant the 4 bridesmaids would need a ride as well.

Very generously, Neil (Sir Wombat), Dale, John Randall and Ray Preston agreed to be a part of the special day.

The weather on the day turned out to be glorious and the cars looked outstanding dressed up in the wedding ribbons.

And the bridesmaids all really loved what was their first ride in a Corvette!

Heartfelt thanks to the guys for making themselves available and making the day even more special!

And of course, it wouldn't be a Corvette story without a little drama which leads me to a further huge shout out to Graeme Hay and Dave Sargent for saving the day late on the Friday evening immediately before the wedding.

Just on 5pm, after a good detail and tying on the ribbons, my C4 decided out of the blue that it didn't want to idle any more, run rough and cut out on a whim...

So I was immediately around the corner to Graeme's place right on Scotch O'clock, and he diagnosed a MAF & O2 sensor issue. A quick call from Graeme to Dave, who had the parts on hand, and he brought them home from work. Back to Graeme's at 8am Saturday morning and he got me back in business on what clearly wasn't an already stressful enough day!

Talk about "getting it to the church on time!"

That is the great thing about the Corvette community in our club - people are always willing to help out !

Thank you Wombat, Dale, John, Ray, Graeme and Dave!

Your help made the happy day even happier!"

Stephen Bryers

KERNEWEK LOWENDER also know as the "Copper Coast Cornish Festival"

Every 2yrs they hold "Classic Cavalcade of Cars" and this year it's to be held on Sunday, May 21st.

It's open for vehicles built in 1993 or earlier.

After departing the start at the Wallaroo Marshalling Yard, the Cavalcade will travel from Wallaroo to Moonta and Port Hughes, then to onto the Kadina Oval for display.

It's like driving thru a Xmas pageant, the streets are lined with thousands of people.

Food/drinks are available on the oval at the finish.

They usually get 500+ cars, so if we don't want to be at the end of the line, we need to get there early ish.

I will be meeting at OTR at Boliver at 6:30AM for a 6:45AM departure, depending on road works, it's about 1.5hr drive to the start, (with a quick Jimmy stop at Pt Wakefield if required.)

Cavalcade entry's can be filled in from here

More info about the festival can be found here; <https://www.kernewek.org/>

Official entries close on the 12th May, but late entries will be accepted on the day depending on availability.
