Presidents Report

Hi all,

This summer has certainly served up its share of hot weather and makes many activities not ideal. February is the month that you could spend every weekend attending at least one and sometimes two runs or show and shines, so if your other half doesn't want to spend the whole month doing car stuff then just put aside Sunday the 11th of February for "Corvettes Rock the Bay", which is our clubs annual show and shine at Wigley Reserve Glenelg. Have a look for the details in the magazine.

The club has reserved tables at the Watermark Hotel for those wishing to dine out for lunch on the day.

You should all have received the final draft of the constitution that will be voted on at the AGM, please have a look at it. A lot of work has gone into this by both the previous and current committee and it now meets our clubs requirements and conforms to the requirements of the Act governing these things. We will be voting on adopting the new constitution.

Speaking of the AGM, it is also the time that the committee is elected to run your club so if you want to have a go at being on the committee ask Stuart for nomination forms and what a particular role is responsible for.

A subject that has been brought up at the meetings are the runs and dinners held on the 1st Sunday and 3rd Friday of each month. If you would like to do one of these and need some help just speak to Tony or any of the committee. We have ideas for runs and if you want to run one its all done for you!

Finally the Perth Nationals at Easter, if you haven't booked better get onto it as time is running out and there are quite a few going from our club so just ask AJ or Dave N for going over details.

Happy Vetting,

Pres

Specialising in C3 (1968-1982) Corvettes, we can do anything from routine maintenance to ground up restorations. This includes conversions to Right Hand Drive and reconversions on cars that do not meet current standards. We have a large inventory of new and used parts and panels in stock. Any parts that you require that are not in stock are normally 10-14 days away, as we place orders to America on a weekly basis.

Corvette Conversion Centre is pleased to announce that we have developed brackets to mount the RRS Rack and Pinion steering system to C3 Corvettes. This will be the perfect solution for poorly converted Corvettes or if you just want a more modern feeling steering system.

ORGANISERS

We need your assistance for runs and dinners, to keep our club active.

Last year we had 30 events, but struggled to get organizers, other than those "core" members who regularly put their hand up, and are almost "expected" to conduct activities.

We are a club with over a hundred members, but only 16 organised events in 2017.

We all need to be more active.

This year we are going to trial a new method.

Runs, dinners and some events will be organised by the Events Coordinator and the Committee and a Captain/Host/Hostess will volunteer or be nominated to take charge of the event. All details (maps, bookings, distances, etc.) will be provided by the Events Coordinator and the Committee for the Captain/Host/Hostess, so the planning will have already been done.

So there will be no need to panic or do a trial run, all that will be necessary is to be the contact for the day.

NEED CAPTAIN/HOST/HOSTESS FOR RUNS & DINNERS - IF YOU HAVE AN IDEA HELP IS AVAILABLE.

Web Master: Peter advised those present that hopefully by the end of the week full photos of the nine day extravaganza plus a run report will be up on the web site.

General Business:

AJ: AJ advised the membership that somewhere mid to late February there will be a gathering at Julie's place for the participants departing for the Perth Nationals. This is basically a very casual get-together to talk over the itineraries.

Rob: Advised the new proposed constitution is available for the membership to read and if need be, any feedback good or bad to Stuart (Public Officer). He also thanked those members who had put forward suggestions so far. This new constitution will be voted on at the March club meeting.

Ruth: Members who had given deposits for t-shirts with the 40th anniversary logo will be able to collect their shirts at the February meeting.

Peter: Corvettes Rock The Bay (CRTB). Peter will be on site by 0700 on the day and he will be looking for volunteers to help set up various marquees, tables, address system etc. Three tables have been booked (\$50 deposit) at the Watermark Hotel for use of club members for lunch on the day. If you are intending to use Charlie's Diner, please advise that you will need to make a booking.

Australia Day run - see Peter after the meeting as names are required this time around, not numbers. Names need to be recorded by the 23rd January 2018 for booking purposes.

See the events calendar above for details of the Australia Day run.

Goof: Peter Bartlett won the annual Kegel perpetual trophy and was duly presented with said trophy (much to Goof's disgust as he only lost by one or two points).... El Presidente was not happy as he only held the trophy momentarily!

Dave N: Advised the Club members participating in the drive to and from the Nationals of some of the costings he received. Perth to Adelaide - Open Trailer \$421.00. Enclosed \$632. Anyone interested feel free to contact Dave for expanded details. Dave also presented Peter and Lynda with mementos from the group of Club members who attended the nine day odyssey organized by Peter and Lynda. This trip proved to be a fun-filled time, showcasing places participants may not have thought of. The trip is very well recommended for any future participants as it is truly a great nine days of eating, driving, drinking and bonding (if time permits) and more drinking.

Stuart: Advised the membership that this year's mid year dinner will possibly be a weekend away to Berri. As this is outside the square, club members can ponder/ think about it and send their feedback to any of the committee.

Membership Draw: \$20. Won by ticket number 87 which was Ruth who kindly re-donated it to Heartkids.

Raffle prize winners: Jan T (C7 calendar - at partner's request), Dale (corvette calendar), Gary (corvette magazine - even though Cathy wanted the blender, Gary picked the magazine), Bob (corvette sticker which he said he would treasure), Cathy finally won the blender (in spite of Gary!). Both went home very happy people (you were happy, weren't you Gary?!).

Supper Savories: By Maelyn. Sausage rolls and savories. Cheesecake and scones, jam and cream. Well done to Maelyn and all those who helped in eating it all.

Meeting Closed: 20:51.

Club Run—Hills Quiz

Sunday 7th January 2018, first run for the New Year started at the Nest Cafe at Walkerville. Fourteen Corvettes carrying 27 club members met prior to departure at 10:00 am. The run was to travel up to Birdwood via Houghton, completing a questionnaire as we travelled, [on completion, prizes were to be awarded to the highest score, second place and an encouragement award for last place]. As occupants needed to see various landmarks and points of interest that answered the questions, we travelled at a leisurely pace.

We left The Nest and meandered up through Lower North East Rd, through Paradise, Houghton, Gumeracha and arrived in Birdwood.

A group of Lotus enthusiasts reached the Pomegranate Cafe before us.

We departed Birdwood [where the van Doorns left us for another engagement] and headed down through Mt Torrens and Woodside [where the Falconers & Mac (the cute puppy) turned off]. Continuing on to Uraidla we cruised down Greenhill Rd, enjoying the scenery while still a bit green, ending our cruise at The Earl of Leicester in Leicester St, Parkside.

A fine fare of pub food was enjoyed by all in a relaxed welcoming environment. All enjoyed their meals.

Quiz results. First Place;- John & Jenny, Runner Up;- Peter B. & Chris, Encouragement Award;- Lynda & Peter.

Was a great day, with good company and an excellent turnout for the first run of the year. Seems all enjoyed the venues, the pace, the distance and the food.

It was suggested that a quiz run be an annual event as this was the third year in a row??

The only snag was that Peter's car ran out of water somewhere, luckily the temperature was lower than the day before or it could have caused overheating and possible damage.

Thanks to all who attended and made it a great run. Cheers Faye & Tony.

Getting to Know You!

Welcome, Alan Norsworthy!

Alan and his wife Lee, worked tirelessly on our 40th Anniversary sub-committee. Lee was our MC for the night and Alan along with Peter Bartlett were head chefs at the Show and Shine.

Alan, Thank you for your time.

What was the reason you wanted a Corvette?

I sat in one when I was 15 years old, immediately fell in love and from that day on, always knew that one day I would have my own.

If you could max out a credit card, which store would you go to and what would you buy? Would have to say Bunnings to buy tools – it's a man thing!

What was your favourite toy as a kid?

A self made Billy Cart which gave many hours of fun, and injuries.

What was your favourite TV show when you were growing up?

Bat Man, mainly because of the Bat Mobile.

Can you play any instruments? No

If not, what would you like to play?

Lead Guitar as I've always idolised Angus Young of ACDC and his antics.

Do you have any strange phobias?

Absolutely – getting stuck, or perceiving being stuck in confined spaces – lookout!

What is your favourite cereal?

Any Muesli by Brook Farm which hails from Byron Bay NSW.

Did you have a childhood nickname?

Yes

If so, what was it?

Norsy

What are three things on your bucket list?

1. Drive Route 66 in a Corvette, of course 2. Travel the entire coastline of Australia with the 'Traveller Obsession' caravan hooked on the back 3. Attend Carlisle with an open wallet

What three items would you take if you knew you were going to be stranded on a tropical island for a year?

Bathers / towel and an endless supply of Coronas

If you could spend a day with someone who has passed on, who would it be?

John Lennon

If you could have a superpower, which one would you choose and why?

Bionic hearing, so that I'm on the same level as my wife!

Thank you once again for your time, Alan.

Sean's Random Ramblings

Welcome to a new segment called Sean's Random Ramblings. This will be my regular contribution to the newsletter where I can indulge in whatever I want to indulge in.

Could be Corvette related or maybe not !

I can (and most probably will) ramble on about some technical bull that makes a Corvette go faster or maybe mix some politics and religion ?

I'm pretty sure at this stage we need someone to organize something for October long weekend. I have organized Victor in 2015 and 2017 and Captain Bling has been busy in alternate years with other excursions. I am happy to organize Victor on the alternate years coz it will get a bit stale to do it every year, plus I don't have the organizing skills of Peter and Lynda, but then I don't think anybody has the organizational skills of Peter and Lynda !

Hey I might even do articles on people in the club who are doing interesting things, depending on if we have an R rating or not !

But I will most likely bore everyone to death as I regale the members with tales of modifying a C4 to go up a hill, ably assisted by my apprentice mechanic, Livy.

Stay Tuned for the Next Episode of Sean's Random Ramblings!

BERRI JUNE LONG WEEKEND GETAWAY

Friday 8th to Monday the 11th June

Berri Riverside
Holiday Park
South Australia

For something a little different this year, the club is planning a June long weekend getaway up in the Riverland at the awesome Berri Riverside Holiday Park -
(Instead of the midyear dinner).

To join in on the fun and hopefully some winter sunshine, members will need to contact the Holiday Park direct on Ph: 8582 3723 (Park contact is Merle) and book any one of a great range of cabins. Some cabins can accommodate two couples as an option to keep costs down. You will also have to notify either Stuart or Ruth on Mob: 0418 841 119 or bron-yr-aur@bigpond.com if you're coming.

We are planning a heap of fun over the weekend from trips to the famous Woolshed Brewery, Mallee Fowl Restaurant, Sunset river cruise (if sufficient numbers), or simply standing around their large fire pit chewing the fat. Bring your marshmallows, sense of humour and simply chill out.

The Berri Riverside Holiday Park is holding 25 cabins for us until the 18th of March and it will be first in, best dressed (Don't delay in booking). When booking, please state you are a member of the Corvette Club of SA and you will be entitled to a discount if staying for the whole weekend.

Also bringing your Corvette is optional. This will be a social weekend away with an emphasis of having fun and relaxing.

For more information, contact either Stuart or Ruth.

KEGAL UPDATE

Much to the demise of the President (and also Goof who was determined to win!) the Perpetual Trophy for our Annual Kegal event was handed over to the winner for 2017, Peter Bartlett.

Congratulations, Peter! He will display this trophy in his trophy case until our event sometime this year, when it will be highly contested, AGAIN!

See how he doesn't really want to give it away.....??
