PRESIDENT'S REPORT

Hi All

Just home from Serges run, a great day all round, great weather, good turnout of Corvettes, great company and the lunch venue had their own Corvettes, C1 C3s and C4s doesn't get any better.

Remember that the December meeting is the last one for Club registration so bring all your documents.

The Corvette Christmas dinner is next Saturday and at this stage is fully booked but there will be two vacancies as number one daughter has decided to have her birthday BBQ the same night.

Check out the January cruise on the 16th it should be a good one and let either Sean or Banjo know if you are going, for catering purposes.

February is Corvettes Rock the Bay and is our number one event of the year and any new members that haven't been to one, should. It would be good to get over 100 Corvettes on the reserve, a feat that we have done only once.

As this is the last Newsletter before Christmas I would like to wish all our members and their families a safe festive period, eat a little, drink a little, enjoy family and friends and see you in 2022.

Happy Vetting

Specialising in C3 (1968-1982) Corvettes, we can do anything from routine maintenance to ground up restorations. This includes conversions to Right Hand Drive and reconversions on cars that do not meet current standards. We have a large inventory of new and used parts and panels in stock. Any parts that you require that are not in stock are normally 10-14 days away, as we place orders to America on a weekly basis.

Corvette Conversion Centre is pleased to announce that we have developed brackets to mount the RRS Rack and Pinion steering system to C3 Corvettes. This will be the perfect solution for poorly converted Corvettes or if you just want a more modern feeling steering system.

November Dinner

The November Dinner was hosted by Kate and Ray at the Paradise Hotel. There were 20 members in attendance and it was good to see some new members Noel and Sue coming along with so many of the regular members as well. We were treated to a large room all to ourselves where it was easy to mingle and chat with one another.

The meals were reported to be enjoyed by all and there were plenty of Corvette stories and laughter throughout the evening. Thanks to all who came to make it an enjoyable night. It must have been good because we stayed until closing time when we were asked to leave!

MEMBERSHIP PAYMENTS FOR 2022

Hi Everyone,

Due to Covid and all the issues that it presents, this year for membership payments at the November and December meetings the club is looking at doing things differently. You can also start making your payments as of now and not wait for those meetings if you wish.

We would like members to use the BSB and Account details (see details below) that the club has available to PRE PAY your membership fees and log books where ever possible. As most of you would recall there are always huge line ups for paying membership fees, getting new log books and getting your log books signed. By paying (Membership Fees Only) in advance we are hoping that we can cut down on the waiting times and also adhere to the rules surrounding Covid.

We would require members to ensure that when making your payment that you include your SUR-NAME and MEMBERSHIP Number on your bank payment form. If these payments can be made no later than 4 days before the actual meeting, that will assist us in having receipts, cards and anything else that needs to be arranged in advance.

When you attend the meeting if you can bring along proof of your payment that will also assist in helping move things along more quickly. For those with Conditional registration we ask that you also bring along the following.

Proof of Membership Payment for 2022 (EFT Receipt)

Your current log book

Current registration papers

LHD exemption if you have one

3 and 4 are not critical but will help us update both new and old log books.

Again this year, there will also be a membership sign on gift for members who make their payments before the end of December. This gift will be limited to the first 100 payments and given that we have over 200 members the gift won't last long.

Thanks in advance for your help with making things run smoother at the meetings.

Adelaide to Canberra Corvette Nationals 2022 Road Trip Proposal

For those of you who are considering making the road trip to the Corvette Nationals in Canberra at Easter next year here is a proposed schedule for you to consider in order to set time aside and travel as a group with your fellow club members. We may even pick up a few from interstate along the way.

The following attendance schedule on the way over with two overnight stops is the same we did in 2015 so it will be familiar to those who participated at that time.

The only change is arriving in Canberra on the Thursday instead of the Friday to give more time to socialize and prepare your Corvette for the full-on weekend of activities.

Tuesday 12th April. Adelaide to Hay. 560kms.

Wednesday 13th April. Hay to Gundagai. 353 kms

Thursday 14th April. Gundagai to Canberra. 162kms.

The return trip is a bit more leisurely coming back over the Snowy Mountains on the Alpine Way and Murray Valley Highway with the following proposed –

Monday 18th April. Canberra to Jindabyne. 200kms.

Tuesday 19th April. Jindabyne to Beechworth. 282kms.

Wednesday 20th April. Beechworth to Bendigo. 250ks.

Thursday 21st April. Bendigo to Horsham. 214kms.

Friday 22nd April. Horsham to Adelaide. 427kms.

Although the distances are not long in most instances it will give time to have plenty of stop overs along the way to see the sights as well as spend a bit more time at destinations to look around.

As we have previously done Jenny and I are happy to make all the accommodation bookings for the group and you pay on check out the following morning.

Also, as we will require to do group bookings, it is important to have your expression of interest in **to us by Saturday 15th January 2022** in order appropriate arrangements can be put in place with the aim for all be in the same establishment. We will also need to know if you will be trailering your Corvette to make space at Motels.

Please contact us either at 0428 394 710 or dellter@adam.com.au.

Road trips to the Nationals are a great way to share time with other Corvette owners in our club with many great memories to share for years to come.

This is a proposal only at this stage so may change depending on accommodation availability and social circumstances closer to the event.

We look forward to receiving your expressions of interest and the opportunity to travel together.

John and Jenny.

Barossa Kegel Weekend

Well as Kegel becomes more popular with members choosing to stay in The Valley, it was decided this year to follow up the Saturday night Kegel competition with a run on the Sunday.

A great night was had by all at the Kegelbahn with plenty of sledging and banter with the eventual winner of the male competition being Alan Orchard and a play off between Lynda McBride and Ruth Van Doorn with Lynda the eventual winner. Pizzas sustained us all during the evening.

Sunday morning dawned with a fierce wind but we were lucky no rain. We met at the Barossa Valley Chocolate Factory for coffee and Xmas shopping and then set off for our run with the first stop at Menglers Hill and the Sculpture Park for a quick photo shoot before we were blown away.

We made our way down through Rowland Flat, Lyndoch and Williamstown but unfortunately along the way there was a problem with Colin and Cindy's C3 and they had to be towed away. Thank you to Stu and Ruth and Gary and Cathy who stayed to help and S&R who ferried the carless couple home! We continued on through Kersbrook, Gumeracha, Birdwood, Mt. Pleasant, Springton where we had a brief stop at the Herbig Tree, and Eden Valley before arriving at the Company Store in Angaston for lunch.

We managed to avoid the majority of the rain and hopefully everyone enjoyed the weekend.

See you all next year – if you can't bowl it doesn't matter – everyone's a winner xx
