# PRESIDENT'S REPORT

Hi All

It will be good to have many of our members being able to attend our meeting this month as those in the Corvette Club of South Australia sub-group CCSA- Caravans have returned from their travels and we look forward to seeing them.

Some of our members have formed another sub-group and while it has started small it threatens to grow faster than the CCSA-Caravans, our VP Catherine is leading the group and apparently there are more wanting to join. Catherine reports that the new and improved Broom has taken her to Brisbane without a hitch and is looking to do other interstate trips with other members of the group.

November and December meetings are traditionally the ones where Log books are signed so if you are part of this group make sure that your fees are paid and the books signed at these meetings, failure to do so will result in you driving your pride and joy unregistered and therefore uninsured.

October has the usual long weekend get away plus a club run organised by Graeme & Joy Walker 2/10/22 Maccas to Meadows to Mel-bas phone Graeme 0431 172 218 by Tuesday 27/9 to book your spot.

November 12<sup>th</sup> is our annual Kegel night run by Goof and Mel an event not to be missed.

Did you know that C2 Corvettes came out with a "Big Tank", there weren't many but you had the option to order them with a 36 gallon fuel tank instead of the usual 20 gallon tank, as I said these were rare cars and there was one here in South Australia but it has returned some time ago to the USA is my mail.

Specialising in C3 (1968-1982) Corvettes, we can do anything from routine maintenance to ground up restorations. This includes conversions to Right Hand Drive and reconversions on cars that do not meet current standards. We have a large inventory of new and used parts and panels in stock. Any parts that you require that are not in stock are normally 10-14 days away, as we place orders to America on a weekly basis.

Corvette Conversion Centre is pleased to announce that we have developed brackets to mount the RRS Rack and Pinion steering system to C3 Corvettes. This will be the perfect solution for poorly converted Corvettes or if you just want a more modern feeling steering system.

# Club Registration Renewals 2023

**Dear Club Members, do you want something for FREE? Then this is for you.**

**It's FREE advice.**

It's time to starting planning for your membership renewal and logbook signing for 2023. You need to pay your membership fees before we can sign your logbook and all logbooks need to be signed by 31<sup>st</sup> December or you will be driving an unregistered vehicle and we don't want that.

Membership renewals can be paid either online or at the November or December Corvette Club meeting. Logbook signings are held on the same night.

So, lock in a one of those meetings to get this done so you can relax and enjoy the Xmas/New Year's break.

Online payments can be made anytime from September. If you are paying online, please make sure you include your Full name & Membership Number in your reference. Bank details are below: -

# Steve's Vette

1968 427 manual roadster

I first met Steve Jacob when I inspected his Corvette for club historic registration in Aug 1998. He lived and worked in Roxby Downs and his car was garaged in Adelaide. Steve was gradually getting the car rebuilt, he had the front bodywork realigned and whole car painted. In Feb 2001 Laurie and I arranged for my daughter and Steve to meet and they went on the Cadillac Cruise in the Vette. They instantly hit it off, both being car enthusiasts. Carrie used to often ride with me on club runs. Eventually Carrie moved to Roxby Downs and the Corvette was taken with them. Three children were born, Aaron, Charlotte and Ryan. In 2009 the engine was rebuilt and Steve was happy as. In March 2009 I trailered Steve's Vette to Adelaide for a dynotune on the freshly rebuilt big block and for the car to be used in my son Sean's wedding. Steve and family returned to Roxby. Tragically, in May 2009, while preparing the family Commodore in his shed to trailer the Corvette back home, he dies in a tragic accident. Carrie and Steve's youngest, Ryan is not quite 3 years old.

Carrie leaves her job in Roxby, sells up and moves with the children to Seaford. Steve's Vette is trailered down and put in her shed.

In 2020 my son Sean and Ryan drive Steve's Vette to Corvettes at the Bay and it takes 2nd place with Public Choice, a tribute to the effort Sean and Ryan have put into preparation of the car and of course to Steve for his work on the car. Again in 2022 the car was awarded 3rd place. In June 2022 Ryan got his learner's permit on his 16th birthday, I bet he cannot wait to become old enough to drive his Dad's Vette.

## Collingrove Hill Climb 21/8/22

The Corvette club came out to Collingrove Hillclimb to cheer me, [Kirsty Smith](#) and [Rob Butler](#) on. It was the usual Collingrove calamity with a week's solid rain leaving the track cold, damp and a permanent pond on the apex of the esses 😞

It was a challenging track to drive with everyone struggling.

I managed a class win with a 35.6, Bob got a 37.3 and Kirsty got several 40 second times in the slippery conditions.

The Corvettes got a run up the hill during the lunch break.

Lots of spins during the day, the worst this XR6 that embedded itself in a hidden rock.

## MEET THE VICS AUGUST 2022 – MT GAMBIER

The gathering of the Corvette Club of South Australia and the combined clubs of Victoria was held in Mount Gambier and the beautiful surrounds of the Coonawarra wine region. We had around 55 people and 25 cars.

For the SA group, it started with a meet at Tailem Bend which lasted approx one hour due to one of our members having a leisurely lie in and drive (LOL). Finally departed to the bony banks of Milang where, for those who had small bladders, a pit stop occurred. Again on the move, this time towards Robe, where the cats were released for approximately 45mins to sample the local delicacies for lunch. The cats were then rounded up and if anyone has done these runs they know the time this takes. Strangely everyone behaved themselves on the road. I don't know whether this is a sign of a tighter economy or an aging demographic!

Next destination was the accommodation in Mount Gambier where we met up with the Victorian contingent and drinks and nibbles were enjoyed with the catch up. This particular Meet the Vics was the first time that a big bus was used to shift participants around for dinners, cruise etc. From the feedback I have received, it appeared to have been a well-received option.

Friday night's dinner started with herding the chatty participants in the direction of the bus with the meal held at Sorrento's Café with drinks and nibbles with exuberant story telling back at the hotel's gutter.

The following morning again back on the bus for our trip out to the Coonawarra region. Everyone was split into three groups for either wine tasting, premium wine tasting or a visit to Penola. After the combined lunch, the bus proceeded to drop off the participants in order for the various wine tasting/sightseeing activities. Due to the exuberance of the staff at the premium wine tasting who were passionate about their wine/region, the bus was reasonably delayed (40mins!) picking up the last group in Penola. Quite a few took advantage of the delay in the local pub which made for a relaxed atmosphere on the way home. A couple of hour break and then back on the bus for dinner at the South Eastern Hotel, with more drinking/nibbling back at our hotel. Various groups moved between rooms to continue drinking/nibbling and story-telling.

Sunday was the only time the cars we actually used in a cruise format. This was the cruise day from the hotel to the Sinkhole gardens, then out to the Feast Museum and back in around the lakes for various photo ops. An unintentional U-turn was required due to Mark (the other organiser) not being able to follow his GPS/I-pad/phone/Betty's instructions.... His excuse was that his glasses were the issue. Lunch was organised with the Lions Club of Mount Gambier. At the completion people wandered back to the hotel to continue more drinking/nibbling and tall tales. Dinner was at Café Belgiorno in a private function room which proved fantastic as this group was becoming more boisterous at each ensuing meal.

During the course of the weekend a couple of people managed to stand out and received gifts of merit. Mark received a new pair of glasses from Toys R Us and our initial time management member received a new timepiece in good working condition. Great night had by all - irrelevant really as Julie and I had a great weekend and partied with some fabulous people which was the main purpose.

Again, great to catch up, meet new people and continue old friendships. Meet the Vics 2023 is in the early stages of development and may require thinking outside the box as most members are retired!

Hope to see you in 2023.

Cheers

AJ

## Mt Mary Hotel Run 11/9/22

It was an overcast Sunday morning and the plan was meet at Lyndoch at 10 am for a 10.30 departure, as it was my run everyone could come to me plus for those that came from down south or nearly everywhere else, it would be a morning tea stop.

We gathered at the car park opposite the bakery and as normal took it over, Banjo turned up with his caravan, really, it wasn't that big a run, they had been staying in the Valley and was on their way home so took the opportunity to say hi.

Woodsy turned up to let us know about a walk! Why would I walk when I have a Corvette.

Goof rang to ask if I had a set of jumper leads as his car wouldn't start, luckily the battery charger had put just enough in to get it going so he ended up using 15 litres of fuel in the carpark.

We did the briefing thing and proceeded off for a leisurely cruise with about a dozen corvettes and a few not corvettes, through the Barossa Valley to Angaston, Moculta and to Truro.

At Truro we took the Eudunda road which was a road where we could give the Corvettes a chance to get the revs up a bit and it was like that to Mt Mary.

Now Mt Mary is a pub this side of Morgan and normally you would sail past at 110 kph, because it is set well back from the highway, hosts Donna and Shane have done the pub up and she is a chef and fussy about her food so the meals are excellent.

We had one Corvette that didn't quite make it but thankfully it stopped running outside a pub so it wasn't a total disaster, but the Corvette didn't use any fuel to get home.

When it came time to order lunch Donna made a special effort to take my order, nothing unusual here after all I am the President, so I ordered the fishermans basket, which I have had before and is excellent, Donna looked at me and said "we are out" apparently the look on my face was priceless, unbeknown to me and because I had been raving about it they had schooled Donna up.

Bloody Corvette Club members.

Everyone enjoyed the meal and after, a few of us retired to the tables in front of the pub to enjoy the sunshine and a few more drinks before the drive back.

Jim came on the run solo as apparently Catherine was so impressed with her NEW broom that took off on it to Brisbane for the weekend.

## Friday Night Dinner 16/9/2022—Bartley Tavern

Some time ago Chris and I decided that we should have a turn at organising a Club Dinner on a Friday night.

We have never organised one of these before and were a bit unsure of how it would work.

How hard could it be you ask? Well not hard at all!

We decided to pick a hotel that we have eaten at quite a few times in the last year so we could be sure the food and prices were good.

Ok venue decided and date decided at the general meeting, I booked The Bartley Tavern - West Lakes Shore.

I went to see the hotel and booked for 24 people in a private area off of the main dining room.

Bookings from club members came in slowly at first mainly by SMS and at one stage we had only 12 club members going.

Oh no we thought this may be a flop!!!

By the time bookings were cut off we had 38 booked - way beyond our expectations.

Everyone who attended had a great night and we really enjoyed hosting the dinner.

We were surprised how easy it was to organise one of these dinners.

So if you have a good local hotel or restaurant you can recommend, my advice is give it a go, its easy!

Thanks to everyone who attended.

Peter Bartlett and Christine Galloni.

CORVETTE NATIONALS  
GOLD★RUSH

**BALLARAT 2023**

**March 24th - 27th 2023**

**Proudly brought to you by ...**

# 2023 Gold Rush Nationals

Source: City of Ballarat

**Corvettes of Melbourne, Vic Vettes and Surfcoast Corvettes** will host the first Corvette Nationals since Queensland in 2019, due to the enduring Covid 19 pandemic. It is important that we recognise and thank the South Australian and Canberra Clubs for their ongoing efforts attempting to hold the Nationals in the face of insurmountable odds.

Taking place in historic Ballarat, the **2023 Gold Rush Corvette Nationals** will run from **24-27 March**. This event has been moved away from Easter to avoid congestion and make our event more affordable for attendees.

All rooms have been secured at **Mercure Ballarat Hotel and Convention Centre**, which will transform into the Corvette HQ during the event. The campus-style facility means your cherished Corvettes can be parked immediately adjacent to, or in close proximity to your room, with additional security provided. The good news is we've been able to negotiate a fantastic rate for these Nationals so we advise you to get your bookings in early – otherwise, overflow accommodation will be available at a nearby hotel.

Polish up your Corvettes, pack your favourite convention- and nationals- themed shirts, dig out your club regalia, pack your gold dancing shoes for the Gala dinner, and make your way to Ballarat for fun with the Corvette family. We look forward to seeing many familiar faces and to meeting the growing number of new enthusiasts.

### ***What will the 2023 Nationals offer?***

The Nationals will be held in and around Ballarat, Victoria's third largest city. During the 1800s, Ballarat was the epicentre of Australia's first gold rush, spawning the Eureka stockade as well as a rich history, culture, and well-preserved colonial-era heritage. That's why we're calling this event the **2023 Gold Rush Corvette Nationals** – we'll also take the opportunity to profile and feature the new **Corvette C8**.

#### ***The Program***

##### ***Friday 24 March 2023***

On Friday, book into the event, receive your gift bag, and mingle at the traditional **Meet and Greet** to follow that night.

**The National Presidents' meeting will take place at 4pm.**

##### ***Saturday 25 March 2023***

A **Show 'n' Shine** will be held at scenic Lake Wendouree.

On Saturday night, we'll venture over to **Sovereign Hill** for a unique gold rush experience and to take a closer look into history of the era. Substantial finger food will be provided and drinks will be available to purchase from the bar.

##### ***Sunday 26 March 2023***

On Sunday, we'll take a **picturesque cruise** through the local gold country and surrounding country towns, enjoying lunch together and some **Show 'n' Shine awards** presentations before returning to the Mercure Hotel.

Upon arrival back at the hotel, there will be time to relax and have a drink with old and new friends.

The **gold-themed gala dinner** will be held on Sunday night at the Mercure Hotel. There will be plenty of music, so glam up in your finest attire, dress to impress, and wear your best gold dancing shoes. Here, there will be additional presentations as well as auctions and raffles.

##### ***Monday 27 March 2023***

Time to pack your Corvettes, say **farewell**, and make the safe journey home.
