MARCH NEWSLETTER 2017

PRESIDENT'S REPORT

For those that went to Super Chevy Sunday I thank you, you are the guys and gals that this club needs and will support it. It was a wet day and you all did the club proud, for those that went to Vettes Rock the Bay thank you also, it was a great day, lots of cars some I have never seen before and a great venue. Thanks to Peter and his team for putting it together it was a great success. Now onto an important issue, please come along and help the club on the March AGM. We need to get our/your constitution amended so that it is appropriate for our club and up to date.

Thanks Laurie

Specialising in C3 (1968-1982) Corvettes, we can do anything from routine maintenance to ground up restorations. This includes conversions to Right Hand Drive and reconversions on cars that do not meet current standards. We have a large inventory of new and used parts and panels in stock. Any parts that you require that are not in stock are normally 10-14 days away, as we place orders to America on a weekly basis.

Corvette Conversion Centre is pleased to announce that we have developed brackets to mount the RRS Rack and Pinion steering system to C3 Corvettes. This will be the perfect solution for poorly converted Corvettes or if you just want a more modern feeling steering system.

CORVETTES Rock the Bay

The organising committee was on the ground early in preparation for the day ahead. A steady stream of Corvettes soon began to arrive and rumble their way onto the grassy expanse of Wigley Reserve down at the Bay. An unseasonably cool morning greeted everyone

(except for Karen McConnell who was obviously a bit hot and bothered when she let out a shriek of delight on seeing Larry “get his big thing out”.....not sure what that says about Rob!). Anyway I digress, as cars continued to filter onto the grounds many members decided to get their morning coffee fix before the band started to setup. This year the band was ‘Rave-On’ who did an excellent job of keeping the crowd entertained with a mix of different tunes. This year’s change of venue seemed to be a great success with an array of places to eat and explore nearby for those who didn’t want to spend the entire day hanging around the cars.

The day seemed to pass very quickly as the number of Corvettes present reached the low 90’s.....unfortunately we didn’t quite reach the goal of getting 100 Corvettes there but I’m sure that record will be broken very shortly. Mid afternoon soon arrived and it was time to start the raffle draw where a total of 10 raffle prizes were handed out to the lucky winners. Then it was on to the business end of the event.....who would win the trophies. This year’s Public Choice award was picked up by Alan Scroop with his white 1973 C3, the Entrant’s Choice award was won by AJ Martin with his blue 1954 C1 Corvette (the other trophy winners are listed on the next page).

This years annual show ‘n’ shine was a great success and all credit must go to the organising committee in particular Peter & Lynda McBride for taking the lead role in organising this event as well as our Events Coordinator Tony Beer Smith for his efforts in promoting the event. A lot of hard work happens behind the scenes to make an event like this as successful as it was and I’m sure all of those

who attended really appreciate all of the hard work that was done. Thanks must also go to Judy Beyer who has prepared a YouTube clip of the day, please go and check it out online!

I can only see this event getting bigger and better so if you couldn’t make it this year put it in your calendar now for next year as it really is one of those “must not miss” events. Thank you to everyone who attended especially the COWs (Corvettes of Whyalla) members and other country members who made the long distance trek to get to Glenelg.

And the trophy winners were.....

Public Choice Award

- 1st Alan Scroop
- 2nd Alan Norsworthy
- 3rd Chris Desmond

Entrants Choice Award

- 1st AJ Martin
- 2nd John Ciccarello
- 3rd Peter Bartlett

Australia Day Run

This year we decided to stay well away from the coast so we started our run from Tea Tree Plaza. A beautiful day greeted us with 18 Corvettes, 1 Chrysler Imperial (affectionately known as USS Enterprise for its sheer size), a 57 Buick, 2 Commodore SSV's & 1 Honda. We headed up into the hills past the reservoir, through One Tree Hill (a misnomer as there are lots of trees) a blast along Black Top Road before coming down through Salisbury along the Expressway to Techport where we saw the 2 war ships, now in the water. Here we stopped briefly for photos of cars & ships before heading back to home base where the afternoon was spent enjoying the food, company & atmosphere. We welcomed our newest member John & we also met Duncan who is from Queensland. He joined the run after checking the club website.

Lyn & I would like to thank all of you for joining us & making it a great Australia Day & we hope you had as much fun as we did.

1973 CORVETTE STINGRAY

Purchased just recently from club member Rob Freak unfortunately I have to let this great car go for work and medical reasons. RHD in original condition it's been serviced recently, registered for a year and new gear cables installed. Car runs like a dream, awesome car sad to let it go and I'll get another in the future. Best car so far.

Look to get what I paid with servicing and rego and therefore will take \$33,000 flat.

Model Corner

The Aussie dollar is hovering in the mid 70s against the US dollar, so I have no idea why there has been a sudden drop in some model prices. At

the minute (Mid January) this is the time to buy. There are a lot of bargains out there depending on what your looking for to start or complete a collection, especially in my favourite scale of

1/18th.

If your after a high end limited model the prices are still high but at present there are many bargains to be had. With many good models under the \$100 (AU) mark including delivery.

AJ's 1954 by MIRA for a total of \$83 delivered to your door. Or how about the limited edition

C7 Z51 by Maisto at a wonderful price of \$90 delivered to your door. You don't have to dig deep at the minute to find a bargain on any series of Vettes. If you stay main stream and the latest editions then prices remain high. AutoArt, BBR and the like continue to hold top dollar. But if your patient and prepared to do some serious searching there are bargains to be had for those makes as well. How about a 1957 for under \$80 delivered again by Maisto, or if you want to go cheaper again there's a Yamting for \$75.

How about a limited edition DALE EARNHARDT for the princely sum of \$90. Then there's the latest from Autoart topping the price charts at \$320 delivered from Japan. For what ever reason at the minute many main stream models are at bargain prices.

Our club has reserved a three month display area at the Birdwood Mill in their main vehicle display auditorium for the period 1st July to 30th September this year.

This space will allow us to display four Corvettes as well as club memorabilia. Your interest is requested to display your Corvette during this period.

We are allowed to rotate cars on a monthly basis which will be in on a Sunday and out on a Saturday. Although some members may wish to have their Corvettes in for longer than a month this rotation will depend on the number of members who are interested.

The National Motor Museum has advised all vehicles are kept under their full CCTV surveillance as well as insurance coverage in the event anything untoward should occur.

If interested as this event approaches please contact John Randell either on **0428 394 710** or email delter@adam.com.au. Expressions of interest would be appreciated by the 7th June General Meeting. Also if you would prefer to display your Corvette over one particular month please advise accordingly.

IMPORTANT NOTICE TO ALL CLUB MEMBERS

A vote will take place at our next Annual General Meeting to change parts of the current club constitution.

We need as many Full Members to attend the AGM as possible. This will give us the best possible chance of achieving a quorum and avoiding the unnecessary expense of modifying the constitution through legal means.

Please attend this meeting to help our club progress.
