MAY NEWSLETTER 2016

PRESIDENT'S REPORT

Hi guys and gals, we have had a full on month in April with the Bendigo Nationals, two of our members brought home trophies John R for best C5 and Peter B for best C3 both in the original category, well done to you both. We will be busy in the committee dept organising the constitution upgrade and getting things in order for the upcoming year.

Next year the Nationals are in Sydney then Perth with us holding them in 2020 so keep that in mind. We are going to make a big push to get as many to Perth as we can with maybe a truck organised to get our cars over and back.

Thanks again to all cheers KB

Car of the Month

Members: Graham and Jenny Smith

We have always loved US cars and have owned an '89 Z28 Camaro and currently have two 1950 Cadillacs. I have always wanted a Corvette and managed to talk my wife into a retirement present. We were initially looking specifically for an '82 C3 as this was the first model with the fuel injection and also had the rear glass hatch. The limited edition model in the '82 was also appealing because they were fully optioned. Once we started to look around, we found there were more C4's available, and they had all the goodies plus the better technology and were even a bit cheaper. They also looked fantastic. I specifically wanted LHD so as to keep the car completely original.

We picked an '85 C4 on the internet in Tassy, booked one way flights for two and a berth on the ferry on the way back. The pictures that were sent to us looked fantastic, and when we actually inspected it, the car was superb. He wanted \$23,000 and we ended up paying \$20,000. It only has 41,200 miles on the clock, and he imported it from San Francisco. It is completely original apart from genuine 17 inch 1994 ZR1 chrome wheels. Got it home OK, and now have a company changing the rear indicators and fitting Aussie Design Rules Seat Belts. We are hoping it gets through Regency OK.

Mannum Hot Rod Show

We had 11 club cars plus a Mustang, Buick & 4 members without vehicles, thanks to new club member Jack for holding a great spot in the shade for us. A really relaxing day by the river was had by all. Goof has turned his car into a shopping trolley with the addition of a push bar as demonstrated by a few willing members. We even got photographic evidence that Larry's roof does come down. A huge variety of vehicles were represented with an even bigger flow through crowd. All in all a fantastic day.

Bendigo 2016

Wednesday the 23rd March saw two groups of Vettes depart for the National Convention this year held in Bendigo Victoria. The larger group of 8 cars lead by John & Jenny, with Karen & Dave, Rob, Dale, Peter, Alan and Rudi & Kay in tow having met at Taillem Bend before heading east. A second group of four vehicles headed

north east to Mildura from the Barossa consisting of Goof & Mel, KB & Margaret and Gus from Whyalla and myself and Christeen. Our first stop was for coffee at Renmark and then onto Mildura for lunch, we then headed south along the Calder Hwy to Wycheproof (gotta love some of the names of their towns) and eventually arriving in Bendigo around 5:30pm local time. Waiting for us to the surprise of all were Doug & Jan who had flown down in a veil of secrecy that morning from Queensland.

Thursday the 24th saw the second group split into shoppers and miners with KB, Neil, Christeen, Goof and Gus all headed underground for a 5 hour mine tour of the Central Deborah Mine ending up over 450m underground. (I think I am the only person that could be scared of heights whilst actually underground). An absolutely fascinating tour 9 levels below the surface conducted by an ex-miner, Ken. We returned to the motel to find the car park quickly swelling with Corvettes with groups from NSW, Victoria and Queensland having arrived.

Friday the 25th saw group two spend a leisurely day cleaning the cars, registering and watching the Vettes roll in at a steady pace. Unfortunately for Rob and myself the dreaded convention gremlins struck with Rob tearing off his oil

filter on an improvised ramp in the crowded car park and I discovered that I had a punctured side wall on my rear tyre. Tony and Faye arrived from Adelaide around 4.30pm. Beer o'clock arrived and most convened in the motel foyer or the tables in the alfresco area. Later we were served a sumptuous roast meal and the entertainment began.

Saturday the 26th was an early rise for all to get to the show and shine location in the heart of Bendigo. I was mobile again thanks to one of the New South Wales contingent loaning me a spare mag whilst my pit crew Doug took the offending rear wheel to be replaced. The area has a rich Chinese heritage and holds a large festival over the four day Easter break. We were given pride of place in a closed off street right off the main street which meant large crowds of admirers. This has to be one of the largest crowds and gathering of Corvettes I have ever seen.

We returned to the motel in dribs and drabs and got changed into our black and white clobber to be bussed down to the local golf for dinner.

This included trophy presentations by the comedians 'The Nelson Twins' (Insurance commercial on TV), our winners were Peter best early C3 (original) and John best C5 (original) well done guys. The Nelson twins then spotted Dale in the crowd and adopted him as their father for the night. Dinner was followed by a huge fireworks display put on by the city of Bendigo.

....Continued next page

Sunday the 27th saw the majority head off on a cruise with morning tea at a Morris Museum in Harcourt North where the owner greeted every car as we arrived and then gave a fascinating tour and history of the Morris. Christeen, Goof, Mel, KB, Margaret, Doug, Jan and I then snuck back into Bendigo to have lunch and watch the street parade. The others continuing on for lunch at the Toolleen Pub. Option two for the day was a motorkhana event at the local sale yards.

Beer o'clock arrived once again with the returning masses, we then boarded the coaches again for a short trip to Chateau Dore a local winery and restaurant, for pre-dinner drinks, presentation of the Motorkhana trophies and a sit down dinner with entertainment by Paul Norton, Wendy Stapleton and Gerry Hale.

Monday the 28th saw the departure breakfast cooked by the local Rotary Club whilst we all loaded the cars said our goodbyes and headed off in different directions. Rob couldn't wait to get home to Karen so he headed off in a convoy of his own followed later by KB, Margaret, Gus and I. Knowing what the Easter Monday traffic was going to be like we opted for a left turn at Ouyen and Gus and I headed back towards Loxton and the Sturt Hwy while KB opted for Murray Bridge. Mel and Goof headed out to the Great Ocean Rd for an extended holiday. The first group, mentioned at the start, also headed for the return trip to Adelaide via an extended trip staying at various towns overnight around the Ocean Road. Their exploits will be highlighted in a separate story.

CLAYTON RUN

Well finally Karina & Lyndsay got to do their first club run after having to change dates because of other events. Even now, their Corvette would not co-operate so out came the trusty old Pontiac Trans-Am (we won't do the joke about "What does Pontiac stand for" it did lead all the way). After leaving our meeting point & cruising up the Expressway, it was a fairly impressive sight with 11 Corvettes, 1 Pontiac, 1 Holden & 1 VW.

Stopped & had morning tea at Meadows & a browse around the markets. This gave KB a chance to climb under his Corvette, yes it seemed impossible but he did it to replace the nuts he had lost (and here I was thinking only squirrels lost their nuts, but apparently so do Koalas). Rod & Jenny came to the cruise driving Vic's car. We found out they had arranged with Shelia to surprise Vic & pick him up & bring him to Clayton for lunch with the rest of us.

On the way to Clayton Karina managed to uphold the club tradition of the "have to do a U-Turn". On arriving at Clayton we parked all the Vettes in front of the restaurant & settled in for a long lunch on the deck. It was great looking over the lake while enjoying good food, wine & friends.

Graham & Debbie brought along their new baby, a beautiful brown Kelpie & as we all know Graham has no taste as he is a Ford man. He at least redeemed himself by naming the pup CHEVY. Good on ya guys, mind you if you looked at Graham's console I think Chevy was telling him this is what's going to happen if he continues with Fords. It was a fantastic day and a big thanks to Karina & Lyndsay, we will look forward to your next run in the future. Article by Peter McBride
